

ST. JOSEPH CATHOLIC SCHOOL
2009 – 2010
TUTION TABLE
Payable July 2009 to May 2010

The school uses SMART to collect tuition payments. A \$38 fee is added to the tuition amount. If you are currently enrolled in SMART, your account will be rolled over for the new school year. If you are changing your payment periods (ie. monthly to quarterly, etc.) please complete a new SMART application. The school prefers that all SMART accounts be on automatic withdrawal. This option would be most appreciated. If you need to make any changes to your SMART contract, you must notify the school.

Non-refundable registration fees
